FOR IMMEDIATE RELEASE

President of Aspen Homes, Inc. Receives 2020 Builder of the Year Award from the Wisconsin Builders Association

PEWAUKEE, Wis. (April 20, 2021) — Aspen Homes, Inc. President Shelly Basso has been selected as the 2020 Builder of the Year award from the Wisconsin Builders Association (WBA).

“I am honored to be recognized by fellow builders and associates for my dedication to service to the building industry,” said Shelly Basso, President of Aspen Homes, Inc. “I am humbled to be the recipient of the 2020 Builder of the Year Award from WBA.”

The WBA Builder of the Year Award is the highest honor a builder member can attain. Only one award is given each year. Nominees are judged by their peers on professionalism as well as level of activity within the WBA, National Association of Home Builders (NAHB), the local builders association - Metropolitan Builders Association (MBA) - and their community.

About Aspen Homes, Inc.

Aspen Homes Inc, is a Wisconsin home builder. Whether you are a young family looking to build your first home, empty-nesters looking for an open concept ranch, or you are building your dream home with a specific style in mind, Aspen Homes, Inc. can create a plan that is customized to fit the vision of your new home. We are not afraid of a challenge, every home should be designed around your personality and your lifestyle. Whether that is selecting the perfect countertop or finding a special lighting fixture, our team is dedicated to building you a unique and customizable new home that you can be proud of for years to come.
